MESSAGE FROM PRESIDENT & CEO

As an Austin Area Urban Leaguer, you are not just supporting this moment in Central Texas. You are joining our movement to ensure that the life-building services we offer remain free and available for all people in need. Together we can make a difference on a greater scale in Central Texas.

The goal is simple--to make Central Texas stronger by providing the community with much-needed resources via our Pillars of Excellence - job training, housing programs, education and youth development, health and wellness, advocacy, and more.

As President & CEO, I recognize the hand cannot function without the fingers, and each one of our pillars, although strong, is designed to be stronger when all pillars are working together to play an integral role in OUR community achieving social and economic equality. Will you partner with us in our 45th year to Empower Communities and Change Lives? The Austin Area Urban League's 45th Annual Equal Opportunity Day Gala will take place on Saturday, December 3, 2022, at 7:00 pm. This event will be in-person at the Hilton Austin Downtown.

Please visit our website aaul.org for additional details about the Austin Area Urban League, our services, programs, and partnership opportunities. You may also contact our Development Director, Pamala Benson-Owens, at Pam_BensonOwens@aaul.org.

Yours In The Movement,

Quincy Dunlap

INFORMATION ON AAUL AND OUR PILLARS

The Austin Area Urban League Housing and Community Development program is dedicated to revitalizing the communities of Central Texas. This program provides emergency and critical repairs to owner-occupied homes located in the City of Austin. Services under this program include crisis intervention assistance, emergency repair assistance, and major system repair.

The Austin Area Urban League Workforce & Career Development program empowers individuals and families to become financially self-sufficient by providing career counseling, employment assistance, professional development workshops, occupational training, financial literacy, and long-term retention strategies.

The Education and Youth Development program works earnestly to develop innovative programs to support academic achievement, civic involvement, and the physical and emotional development of children and youth. Programming includes early childhood education, post-secondary success, and youth leadership designed to help achieve the NUL empowerment goal of assuring that every child will be ready for college, work, and life by 2025.

The Austin Area Urban League Health and Wellness program is committed to delivering sustainable programs that provide underserved communities with greater access to healthcare and advocate for the elimination of health disparities. Designed to aid the National Urban League empowerment goal that "Every American has quality and affordable health care solutions by 2025."

The Austin Area Urban League Justice and Advocacy department connects with local businesses, corporate community leaders, and citizens who are working to build a stronger, more vibrant Austin. This effort creates a network of professionals who express the need for political and social change, benefiting all individuals and creating a level playing field.

The Austin Area Urban League Young Professionals & Guild serve as auxiliary components of the Austin Area Urban League serving the demographics of 21-40 and 65+ respectively. The mission of the Guild is to support the local affiliate by strengthening its presence in the community through fundraising, community service, leadership development, and public relations. The Young Professionals were established to empower innovation in the Greater Austin community through its leadership of the civil rights agenda in this new age.

The Huston Tillotson Men's Basketball team is very excited to start the 2022-2023 season head strong. This year's team is brand new with some familiar Rams. There is never an easy night in the Red River Conference, each game is a grind that never stops, and every victory will be well earned. Our preseason schedule is no slouch, playing three division one school and a few rated NAIA schools in the Southwest Assembly of God University, Wayland University, and Oklahoma Panhandle State University. This season for our Huston Tillotson Men's basketball team will be one for everyone to remember. Our team has put in the long hard hours and are ready to get on the court and play some ball!

Here at HT, we have our dream team, possibly the best team within the conference. Especially when highlighting our backcourt starting out with 6'3 Faite Williams a transfer student from Prairie View A&M University and 6'7 Guard Ashton Chatman transferring from Oklahoma Panhandle State University. This will truly mesh well with returning all-conference guards Jimmy Kelly who averaged 14 points and Braxton Lovings our leading scorer averaging 15 points a game. We will be long and athletic. This year will be our first year without our juggernaut scorer Matthew Lewis. He will be missed by us all, adjusting has been a task, but the work our guards have been putting in has made this transition easier than expected.

However, DON'T SLEEP ON OUR POST! Our blue-collar guys that believe in hard work. Our inside presence will be a team of bigs led by 6'8 Faybeyon Shelton a transfer student from Coastal Bend College, along with Nasir Scott 6'6 from Philadelphia, PA and finally 6'6 Charles Hallmon from Modesto CA and Malachai Gayton from East Orange, NJ. All posts will be contributing to controlling the paint this year.

0-0 at Wiley College, 14-6 overall

Alma Mater: Savannah State University

The Wiley College Men's Basketball team has rose to national prominence making six NAIA Tournament Appearances. It advanced to the second round in 2019 and 1970.

The Wildcats are entering their first season in the Gulf Coast Athletic Conference after competing in the Red River Athletic Conference from 1998-2022. Wiley College is coming off a 10-win season after not competing in 2020-21. Seven players return from that squad, including starters Demarius Houston, Jalen Brown and David Williams.

Houston led the team with 47 three-pointers, an average of 2.4 per game. He averaged 9.4 points per game. Jalen Brown averaged 8.6 points and 4.2 rebounds in nine games. David Williams tallied 5.5 points and 3.2 rebounds per game. He scored in double figures in three of his last five games. Deonte Spencer put up six points and 3.6 rebounds per game. He had three double-digit scoring games.

Joseph Flegler enters his first season with the Wildcats. Last season he led Ecclesia College to a 14-6 record.

HEAD COACH- Chris Wright

Record at Current School/ Overall Coaching Record- 2-0/ 213-99

Alma Mater: University of Texas at Austin

As of 11/16/22 Langston is receiving votes in the NAIA Coaches Poll while being ranked 15th in the country by NAIA Hoops Report. This is a team without a single returner from last year's 1-27 squad.

Coach Chris Wright was hired in May after taking Talladega College to the NAIA National Championship, marking the first time in 35 years an HBCU played in a national title game. Wright and his staff look to duplicate that success and have put together a talented roster that can potentially make a deep run in March.

THANK YOU!

The Austin Area Urban League's inaugural AAUL HBCU Basketball Invitational was created to enhance the visibility of HBCU athletic and academic programs, and to elevate HBCU sports as a key driver of sports entertainment, with its impact extending beyond the court. We are committed to creating programs that make a discernible change in our community and continue to drive support to HBCU academic and sporting programs. THANK YOU for being a part of this quintessential cultural experience.
