

AAUL TECH AND CAREER ACADEMY

ADMINISTRATIVE ASSISTANT W/ CUSTOMER SERVICE

COURSE DESCRIPTION

Administrative Assistant with Customer Service certificate program that provides the Microsoft Office Specialist credential sets apart those who simply use Microsoft Office products every day from those who know Microsoft Office products so well that they can automate repetitive tasks, create templates for end-users and create web-ready documents and presentations. With the growth of online content, the Microsoft Office Specialist's skillsets are an asset to all businesses and organizations. And with the expansion of PowerPoint into the online and multimedia spheres, the Microsoft Office Specialist's skillset are even more valuable today than they have ever been in the past. Excel is in high demand, as well, for such needs as automated calculations and inventory control.
